

14<sup>th</sup> November 2014

Dear Parents/Carers,

### **'Use Less Stuff' Focus Day**

On Thursday 20<sup>th</sup> November we have another exciting Focus Day to inspire our pupils. As this day will be focusing on ways we can help our environment and produce less rubbish, we are planning a 'waste free lunch'.

If you send your child in with a packed lunch on this day, we are asking you to make it as waste free as possible. For example, fruits with skins that can be eaten or composted such as apples, bananas, oranges etc would be perfect. Other items such as sandwiches/raisins/cheese biscuits could be put into reusable plastic pots (if you have them) or wrapped in small pieces of Clingfilm. Drinks could be put into a reusable bottle where possible.

We hope you are willing to take up this challenge!

Thank you in advance for your support,

**The 'Use Less Stuff' Focus Day Planning Group.**
